INDIAN AUDIT AND ACCOUNTS DEPARTMENT.

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Circular No. 28/T.M., dated 31st March 1952.

To

All Heads of Departments and other Disbursing Officers.

Sir,

Subject:—Procedure for drawing personal advances sanctioned to Non-Gazetted Government servants.

At present Non-Gazetted Officers are drawing personal advances (House building advances, Motor vehicle advances, Bicycle advances, Provident fund advances, etc.), sanctioned to them on bills countersigned by their superior officers and such amounts do not enter the cash books of the Disbursing Officers. This procedure is not correct. Payments to Non-Gazetted Officers should always be made through the disbursing officers who usually draw their pay and allowances, and the amounts should be taken to their cash books. This procedure should be followed with immediate effect. Bills for advances relating to Non-Gazetted Officers should in future accordingly be drawn by the Heads of Offices authorised to draw the bills for pay and allowances. The treasuries will not honour bills drawn by the Officers themselves.

Yours faithfully,
V. K. SUBRAMANYAM,
Deputy Accountant-General.

By two Notifications published in the *Gazette of India* Extraordinary dated the 3rd March, 1952, the Textile Commissioner has permitted trading in ready contracts and delivery contracts of Indian Cotton of the 1951-52 season grown in the Bellary, Kurnool (Pathikonda Taluk), Ananthapur and Cuddapah Districts of the Madras State and has declared, in terms of the Cotton Control Order, 1950, the following as the description, staple, class and maximum price in respect of cotton now moving in those areas.

OFFICE OF THE TEXTILE COMMISSIONER, WITTET ROAD, BALLARD ESTATE, BOMBAY.

No. TCP—14. **Press Note.** 11th March 1952.

In pursuance of the recommendations made by the Cotton Advisory Board, the Textile Commissioner has amended the Price Notification under the Cotton Control Order, 1950, to provide for the following :—

(i) 'On' allowances of Rs. 70 and Rs. 100 respectively for 3/32" and 4/32" over the basic staple of 'Western'.

(ii) Relaxation of the condition regarding 'Protected Area' in respect of 'Rajapalayam' cotton grown in the Bombay State and 'Kalyan' cotton grown in the States of Bombay and Saurashtra.

(iii) Inclusion of 'Laxmi' cotton grown in the Bombay State in the definition of 'Cambodia' instead of under 'Upland'. This enables the cultivator of 'Laxmi' cotton in the general area to obtain for it the price specified by the Textile Commissioner for 'Cambodia' in the price Notification. The 'maximum price' for 'Laxmi' cotton of the top class and staple grown in the general area will now accordingly be Rs. 1,180 per candy. 'Laxmi' cotton grown in the 'Reserved Area', however, continues to be outside price control, an allowance of 6 As. per lb. of yarn woven being admissible as was applicable to the Laxmi cotton grown in reserved areas in 1950-51.

OFFICE OF THE TEXTILE COMMISSIONER, WITTET ROAD, BALLARD ESTATE, BOMBAY.

TCP—15. **Press Note.** 11th March 1952.

The question of a suitable allowance in the prices of yarn and cloth for the use of 21F R/Gd. has been under consideration for some time, as it was claimed by the growers and the trade that it is a superior cotton meriting a price higher than the ordinary varieties of Indian cotton. In the absence of an allowance the Textile Industry has not found it possible to purchase this cotton. After careful consideration, the Government of India have decided to allow the use of 21F R/Gd. Cotton in the manufacture of yarn of the appropriate counts and cloth in groups VII and VIII. For the purposes of price fixation, Government have decided to grant an allowance of 2·6 annas per lb. of yarn woven, for warp in group VII, and 2·6 annas per lb. of yarn woven, in warp and weft in group VIII on application by the Mills. These allowances will be subject to the following conditions (of which proof will be required) :—

(i) the cotton has been grown in an area which is a "Protected Area" under the Cotton Transport Act, 1923 or any corresponding Act;

(ii) the seeds required for sowing such cotton in the relevant areas should have been duly approved and supplied by the Department of Agriculture of the State concerned;

(iii) the crop of such cotton should have been rogued and off-type removed; and

(iv) the ginning and pressing of the crop of such cotton should have been done under the supervision of the Department of Agriculture of the State concerned and a certificate of purity issued by the said Department for the pressed bales.

No. TCP—14. **Press Note.** 11th March 1952

In pursuance of the recommendations made by the Cotton Advisory Board, the Textile Commissioner has amended the Price Notification under the Cotton Control Order, 1950, to provide for the following :—

(i) 'On' allowances of Rs. 70 and Rs. 100 respectively for 3/32″ and 4/32″ over the basic staple of 'Western'.

(ii) Relaxation of the condition regarding' Protected 'Area' in respect of 'Rajapalayam' cotton grown in the Bombay State and 'Kalyan' cotton grown in the States of Bombay and Saurashtra.

(iii) Inclusion of 'Laxmi' cotton grown in the Bombay State in the definition of 'Cambodia' instead of under 'Upland'. This enables the cultivator of 'Laxmi' cotton in the general area to obtain for it the price specified by the Textile Commissioner for 'Cambodia' in the price Notification. The 'maximum price' for 'Laxmi' cotton of the top class and staple grown in the general area will now accordingly be Rs. 1,180 per candy. 'Laxmi' cotton grown in the 'Reserved Area', however, continues to be outside price control, an allowance of 6 As. per lb. of yarn woven being admissible as was applicable to the Laxmi cotton grown in reserved areas in 1950-51.

TCP—15. **Press Note.** 11th March 1952.

The question of a suitable allowance in the prices of yarn and cloth for the use of 21F R/Gd. has been under consideration for some time, as it was claimed by the growers and the trade that it is a superior cotton meriting a price higher than the ordinary varieties of Indian cotton. In the absence of an allowance the Textile Industry has not found it possible to purchase this cotton. After careful consideration, the Government of India have decided to allow the use of 21F R/Gd. Cotton in the manufacture of yarn of the appropriate counts and cloth in groups VII and VIII. For the purposes of price fixation, Government have decided to grant an allowance of 2·6 annas per lb. of yarn woven, for warp in group VII, and 2·6 annas per lb. of yarn woven, in warp and weft in group VIII on application by the Mills. These allowances will be subject to the following conditions (of which proof will be required) :—

(i) the cotton has been grown in an area which is a "Protected Area" under the Cotton Transport Act, 1923 or any corresponding Act;

(ii) the seeds required for sowing such cotton in the relevant areas should have been duly approved and supplied by the Department of Agriculture of the State concerned;

(iii) the crop of such cotton should have been rogued and off-type removed; and

(iv) the ginning and pressing of the crop of such cotton should have been done under the supervision of the Department of Agriculture of the State concerned and a certificate of purity issued by the said Department for the pressed bales.

Circular dated 8th April 1952.

No. 151-160. The attention of composite Mills and Spinning Mills in Mysore State is invited to the recent decision of the Government of India permitting composite mills to sell fine, super-fine, cloth along with 50 per cent of medium and coarse cloth to dealers of their choice after offering 50 per cent medium and coarse cloth for controlled distribution and permitting Spinning Mills to sell lapsed yarn bales to the dealers of their choice as a measure of relaxation of the present distribution Controls. As a result of this relaxation, the local mills are likely to sell cloth and yarn to the dealers of their own choice within the State, as well as outside the State out of free sale quota accruing to them.

With a view to regulate the collection of centage and procurers' margin, if any, and to avoid possible confusion that would arise in case the centage and procurers' margin, if any, is collected from the dealers, the following procedure is suggested to local mills regarding collection of the above from one source only :—

SALE OF CLOTH* TO NOMINEES.

1. The Local Mills are requested to collect ½ per cent centage on the ex-mill value of cloth* sold and delivered to the Nominees either under allotment or under free sale and remit the same to the Treasury under the head of account 'LI. Extra-ordinary Receipts (b) Other items—Centage on cloth.'

SALE OF CLOTH*, TO WHOLESALE DEALERS.

Where mill cloth* is sold to wholesale dealers under allotment or out of free sale quota they are requested to collect in all ½ per cent centage *plus* 1½ per cent Procurer's margin and remit the same to the head of account 'LI—Extra-ordinary Receipts (b) Other items—Centage on cloth.'

SALE OF MILL CLOTH* DIRECT TO DEALERS WHO HAVE THEIR PLACE OF BUSINESS OUTSIDE MYSORE STATE.

Where cloth* is sold by the local Mills to licensed dealers outside the State under Free-sale, centage or procurer's margin need not be recovered.

YARN.

In the case of yarn, the mills are required to collect ½ per cent centage calculated on the ex-mill value of the yarn sold to the wholesale dealers or to consumers in Mysore State, either under allotment or under free sale, and remit the same to Government to the head of account 'LI—Extraordinary Receipts (b) Other items—Centage on yarn'. Centage need not be collected on yarn sold by the mills directly to licensed dealers or parties outside the State.

The mills are requested to give effect to the above arrangements both in respect of cloth* and yarn sold under allotment as well as under free sale from 1st April 1952.

In the first week of each succeeding month, a statement showing the following details together with the original treasury chellan for having remitted the centage and/or Procurer's margin, if any, collected during the previous month may be sent to the Financial Assistant of the Department to watch the collection of centage and Procurer's margin, if any, due from each mill, both in respect of allotted goods and in respect of goods sold under free sale.

OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE—1.

Notification dated 19th April 1952.

No.E 4-857 C. 2949—51-52. In pursuance of Clause 13 of the Mysore Rationing Order (Food) No. 2 of 1943, I, Sri N. Madhava Rao, B.A., Director of Food Supplies in Mysore, Bangalore, do hereby order that the following amendment may be made to the Statutorily Rationed Areas Regulation of 1950:—

In Clause 1, after the words 'The Bangalore Corporation' add the words 'and such other extensions formed by the Bangalore City Improvement Trust Board from time to time, as may be notified'.

763 N. MADHAVA RAO, *Director.*

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Circular dated 8th April 1952.

No. 151-160. The attention of composite Mills and Spinning Mills in Mysore State is invited to the recent decision of the Government of India permitting composite mills to sell fine, super-fine, cloth along with 50 per cent of medium and coarse cloth to dealers of their choice after offering 50 per cent medium and coarse cloth for controlled distribution and permitting Spinning Mills to sell lapsed yarn bales to the dealers of their choice as a measure of relaxation of the present distribution Controls. As a result of this relaxation, the local mills are likely to sell cloth and yarn to the dealers of their own choice within the State, as well as outside the State out of free sale quota accruing to them.

With a view to regulate the collection of centage and procurers' margin, if any, and to avoid possible confusion that would arise in case the centage and procurers' margin, if any, is collected from the dealers, the following procedure is suggested to local mills regarding collection of the above from one source only:—

SALE OF CLOTH* TO NOMINEES.

1. The Local Mills are requested to collect ½ per cent centage on the ex-mill value of cloth* sold and delivered to the Nominees either under allotment or under free sale and remit the same to the Treasury under the head of account 'LI. Extra-ordinary Receipts (b) Other items—Centage on cloth.'

SALE OF CLOTH* TO WHOLESALE DEALERS.

Where mill cloth* is sold to wholesale dealers under allotment or out of free sale quota they are requested to collect in all ½ per cent centage *plus* 1½ per cent Procurer's margin and remit the same to the head of account 'LI—Extra-ordinary Receipts (b) Other items—Centage on cloth.'

* The term cloth includes Sound cloth, Seconds, Fents, Chindies and Rags.

SALE OF MILL CLOTH* DIRECT TO DEALERS WHO HAVE THEIR PLACE OF BUSINESS OUTSIDE MYSORE STATE.

Where cloth* is sold by the local Mills to licensed dealers outside the State under Free-sale, centage or procurer's margin need not be recovered.

YARN.

In the case of yarn, the mills are required to collect ½ per cent centage calculated on the ex-mill value of the yarn sold to the wholesale dealers or to consumers in Mysore State, either under allotment or under free sale, and remit the same to Government to the head of account 'LI—Extraordinary Receipts (b) Other items—Centage on yarn'. Centage need not be collected on yarn sold by the mills directly to licensed dealers or parties outside the State.

The mills are requested to give effect to the above arrangements both in respect of cloth* and yarn sold under allotment as well as under free sale from 1st April 1952.

In the first week of each succeeding month, a statement showing the following details together with the original treasury chellan for having remitted the centage and/or Procurer's margin, if any, collected during the previous month may be sent to the Financial Assistant of the Department to watch the collection of centage and Procurer's margin, if any, due from each mill, both in respect of allotted goods and in respect of goods sold under free sale.

Circular No. 3—T.M., dated 8th May 1952.

From

The Accountant-General, Mysore, Bangalore.

To

The Deputy Commissioner,
Treasury Department
All Districts.

Sir,

Subject :—Countersignature of Last Pay Certificates by the District Treasury Officers.

At present, Last Pay Certificates issued by the Taluk Treasuries to the Gazetted Officers, when there is a transfer of charge, are not being countersigned by the District Treasury Officers. With a view to bring the procedure in line with the All-India procedure, the Government of Mysore have directed in their Order No. Fl. (B) 209, dated 1[illegible]th April 1952 that the L.P.Cs. issued by Taluk Treasuries should be countersigned by the respective District Treasury Officers. The following instructions are issued for the guidance of District and Taluk Treasuries :—

(1) The register in Form No. 73, M.C.A.C. Vol. II, maintained in the District Treasury should contain the names of the Gazetted Government servants drawing their pay from the Taluk Treasuries, in addition to the names of such officers drawing their pay from the District Treasury.

(2) In cases where payments are authorised at a Taluk Treasury, the District Treasury Officer should make a note to that effect in his register against the names concerned.

(3) As soon as each pay slip, leave salary certificate or other authority, issued by this office is received in the District Treasury, the particulars noted in it should be entered against the name of the Government servant concerned. If the pay slip, leave salary certificate or other authorty refers to a payment to be made at the Taluk Treasury, it should be forwarded to the Taluk Treasury Officer, after note of the above particulars in the register of the District Treasury. A note of the transmission of the pay slip, etc., to the Taluk Treasury should be made in the Register under the attestation of the District Treasury Officer.

(4) Whenever the salary bill of a Gazetted Government servant is presented for payment, either at the District Treasury or Taluk Treasury, a reference should be made to this Register to see that the rate at which the claim is made is correct. The payment should be noted in the appropriate column of the Register.

(5) Whenever an L.P.C. is issued to a Gazetted Government servant by a District Treasury Officer, the word "Nil", together with the date from which payment at the treasury has ceased, should be written in the money column of the register against the name of the Government servant concerned and the number and date of the L.P.C. issued should be quoted. In the case of L.P.Cs. issued by Taluk Treasuries, the Taluk Treasury Officer should, after opening a "Nil" money column in his register, transmit the L.P.C. to the District Treasury Officer, who will countersign it after duly checking it with the entries in his register and noting the No. and date of the L.P.C. issued by the Taluk Treasury. A "Nil" money column with date should be opened by the District Treasury in this case also.

(6) Every entry made in the register should be attested by the Treasury Officer concerned with his dated initials.

(7) When an application is received at a Taluk Treasury from an officer for the issue of an L.P.C. the officer should be informed that the L.P.C. whould be sent to him through the District Treasury. The address to which it has to be sent should be ascertained from him and intimated to the District Treasury.

(8) In the case of the transfer of an officer to a place outside the State or to a post under the audit control of another Audit Officer, the L.P.C. should be issued in duplicate. One copy should be sent to the Officer concerned and the other to the Accountant-General (through the District Treasury in case the L.P.C. is issued by the Taluk Treasury).

The receipt of this letter may kindly be acknowledged.

Circular dated 27th May 1952.

To

All Heads of Departments and Drawing Officers.

Subject :—Expenditure met out of advances from the "Contingency Fund" of the State.

Sir,

No. 4—T.M.—Advances are sometimes sanctioned by Government from the Contingency Fund for meeting expenditure which is not provided for in the budget, pending authorisation of such expenditure by the Legislature. The advances granted to each Head of the Department is recorded under a separate minor head under "Contingency Fund" in the books of this office, each major head under the consolidated fund being treated as a minor head under the "Contingency Fund". The Heads of Departments are responsible for the distribution of the advance among their subordinate officers, for obtaining detailed accounts from them and for maintaining a consolidated account of the advance. They should watch *that the expenditure does not exceed the advance on any account.* The following instructions are issued for the guidance of departmental officers :—

1. The amounts debitable to the Contingency Fund should be drawn on the usual bill forms as and when required, the head "Contingency Fund" being conspicuously noted on the top of the facing sheet of the bill. The detailed procedure prescribed for bills debitable to the Consolidated Fund applies to these bills also. The treasuries are required to enter the amounts debitable to the "Contingency Fund" in separate scheduled departmentwise. The department to which the expenditure relates should be noted in brackets. For example, when the amount relates to Famine Relief, the classification should be noted as follows :

Debitable to "Contingency Fund"

(54. Famine Relief).

2. Particulars of the amount of advance, expenditure to-date and balance available should be noted on each bill. If the advance placed at the disposal of the Head of a Department is distributed among several Drawing Officers, the amount of such sub-advance, the total expenditure to-date, and the balance available should be noted by them on the bills. The Treasury Officers have been instructed not to encash bills which do not contain such information.

3. The Drawing Officers should send a monthly account to the Head of the Department in the following form :—

Date	Particulars of sub-advances sanctioned	Amount Rs. As. Ps.	Date	Particulars of each bill drawn from the Treasury	Amount Rs. As. Ps.
				(Balance available)	
	Total ...			Total ...	

4. The Heads of Departments should maintain a register in the following form :

Amount of the advance

sanctioned by Government Rs .....

Sub-offices to whom the advance has been distributed	Amount	Amounts drawn from the Treasury during April as per accounts received	Amounts drawn from the Treasury during May	(And so on columns for the remaining 10 months)	Remarks: (Reference to additional grants obtained under the "Consolidated Fund" etc.)
1. Name of Office

2. Name of Office

3. Name of Office

5. As the amounts provisionally debited to the "Contingency Fund" have to be finally debited to the respective Major, Minor, and detailed heads under the Consolidated Fund after additional grants are obtained from the Legislature, these heads should be noted in a corner on the last page of the bill under the heading "Head to which debitable after additional grants are obtained."

6. The Heads of Departments should take necessary action for the reconciliation of the departmental figures with those booked in this office under the head each month.

7. Timely action should be taken for obtaining additional grants from the Consolidated Fund so that the provisional debits to the Contingency Fund may be adjusted as early as possible.

Yours faithfully,

V. K. SUBRAMANIYAM,

Accountant-General.

Circular dated 27th May 1952.

To

All Heads of Departments and Drawing Officers.

Subject :—Expenditure met out of advances from the "Contingency Fund" of the State.

Sir,

No. 4—T.M.—Advances are sometimes sanctioned by Government from the Contingency Fund for meeting expenditure which is not provided for in the budget, pending authorisation of such expenditure by the Legislature. The advances granted to each Head of the Department is recorded under a separate minor head under "Contingency Fund" in the books of this office, each major head under the consolidated fund being treated as a minor head under the "Contingency Fund". The Heads of Departments are responsible for the distribution of the advance among their subordinate officers, for obtaining detailed accounts from them and for maintaining a consolidated account of the advance. They should watch *that the expenditure does not exceed the advance on any account.* The following instructions are issued for the guidance of departmental officers :—

1. The amounts debitable to the Contingency Fund should be drawn on the usual bill forms as and when required, the head "Contingency Fund" being conspicuously noted on the top of the facing sheet of the bill. The detailed procedure prescribed for bills debitable to the Consolidated Fund applies to these bills also. The treasuries are required to enter the amounts debitable to the "Contingency Fund" in separate scheduled departmentwise. The department to which the expenditure relates should be noted in brackets. For example, when the amount relates to Famine Relief, the classification should be noted as follows :

Debitable to "Contingency Fund"
(54. Famine Relief).

2. Particulars of the amount of advance, expenditure to-date and balance available should be noted on each bill. If the advance placed at the disposal of the Head of a Department is distributed among several Drawing Officers, the amount of such sub-advance, the total expenditure to-date, and the balance available should be noted by them on the bills. The Treasury Officers have been instructed not to encash bills which do not contain such information,

3. The Drawing Officers should send a monthly account to the Head of the Department in the following form :—

Date	Particulars of sub-advances sanctioned	Amount Rs. As. Ps.	Date	Particulars of each bill drawn from the Treasury	Amount Rs. As. Ps.
				(Balance available)	
	Total ...			Total ...	

4. The Heads of Departments should maintain a register in the following form:

Amount of the advance 196
sanctioned by Government Rs.....

Sub-offices to whom the advance has been distributed	Amount	Amounts drawn from the Treasury during April as per accounts received	Amounts drawn from the Treasury during May	(And so on columns for the remaining 10 months)	Remarks: (Reference to additional grants obtained under the "Consolidated Fund" etc.)
1. Name of Office

2. Name of Office

3. Name of Office

5. As the amounts provisionally debited to the "Contingency Fund" have to be finally debited to the respective Major, Minor, and detailed heads under the Consolidated Fund after additional grants are obtained from the Legislature, these heads should be noted in a corner on the last page of the bill under the heading "Head to which debitable after additional grants are obtained."

6. The Heads of Departments should take necessary action for the reconciliation of the departmental figures with those booked in this office under the head each month.

7. Timely action should be taken for obtaining additional grants from the Consolidated Fund so that the provisional debits to the Contingency Fund may be adjusted as early as possible.

INDIAN AUDIT AND ACCOUNT DEPARTMENT

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Circular dated 23rd June 1952.

To

All Heads of Departments,
All District Treasury Officers and
All Departmental Disbursing Officers.

Sub.:—Notings of details of salary and allowances drawn and income-tax deducted in the Last Pay Certificates.

No. G.A.I.—Genl. –358. It has been brought to notice that in the income-tax returns furnished by the Treasury and other disbursing officers, information regarding salary particulars for full twelve months in respect of officers transferred to the district from the State headquarters or other districts, are very often not exhibited. The omission is in most cases due to the fact that disbursing officers do not append the necessary memoranda of salary drawn and income-tax deducted, as required in Form 7, M. C. A. C., Vol. I. All the treasury and disbursing officers are, therefore, requested to furnish, at the time of issue of the last pay certificates full particulars of salary drawn, income-tax deducted, in a separate sheet to the last pay certificates if they are issued in the old Form 7, M.C.A.C., Vol. I, and on the reverse of the forms if they are issued in the new Form 7, M.C.A.C., Vol. I.

2. On the basis of the details so obtained, the treasury or disbursing officer that disbursed the salary and allowances for the month of February should furnish the returns in the prescribed form to the Income-tax Officer concerned.

Accountant-General.

OFFICE OF THE ACCOUNTANT-GENERAL, MYSORE, BANGALORE.

Circular dated 23rd June 1952.

To

All Heads of Departments,
All District Treasury Officers and
All Departmental Disbursing Officers.

Sub. :—Notings of details of salary and allowances drawn and income-tax deducted in the Last Pay Certificates.

No. G.A.I.—Genl. —358. It has been brought to notice that in the income-tax returns furnished by the Treasury and other disbursing officers, information regarding salary particulars for full twelve months in respect of officers transferred to the district from the State headquarters or other districts, are very often not exhibited. The omission is in most cases due to the fact that disbursing officers do not append the necessary memoranda of salary drawn and income-tax deducted, as required in Form 7, M. C. A. C., Vol. I. All the treasury and disbursing officers are, therefore, requested to furnish, at the time of issue of the last pay certificates full particulars of salary drawn, income-tax deducted, in a separate sheet to the last pay certificates if they are issued in the old Form 7, M.C.A.C., Vol. I, and on the reverse of the forms if they are issued in the new Form 7, M.C.A.C., Vol. I.

2. On the basis of the details so obtained, the treasury or disbursing officer that disbursed the salary and allowances for the month of February should furnish the returns in the prescribed form to the Income-tax Officer concerned.
